

# A Prayer to Find Peace in our Hearts and to Help Bring Justice to those Closest to Us

## Praying for Peace and Justice on September 15, 2024

*Let us pray:*

*Creator God, your peace and justice is needed in so many ways and in so many places around the world, from school shootings to deadly heat to threats to democracy.*

*But our prayer this morning is simply for us to find Peace in our own hearts today, whatever comes, and to help bring Justice to those closest to us.*

*Amen.*
