REPORTS

Sale of 2025:Keith

Still no firm offer. Council will proceed with Gabon. Govt of Congo also interested.

Learners & Teachers Survey: David

There was good response to our query about spiritual questions, but David noted there was little on outward journey issues. Marjory commented that the way the query was worded may have shaped responses away from what people are actually doing or want to do.

Time & Space: Keith

T&S will be talking to the hostel next door about their excessive parking lot use and repair of the gate.

APPROVED Handout on Shared Leadership: Peter

A request was made to list moderators of different mission groups on the website in the Members area.
