Bumper Jacksons

The Bumper Jacksons are a big, fat party. Hot and sweet, their traditional jazz and pre-war country repertoire paints America's story from New Orleans' brothels to Appalachian hollers. Unafraid to scrape together new sounds from forgotten 78's, the Bumper Jacksons boldly and elegantly balance paying homage to the traditions while fashioning their own unique, DIY style. They headline at the Birchmere and tour nationally. We loved hearing Jess and Chris last year with the Sligo Creek Stompers and we are delighted that they're back this year at Carroll Cafe with the BJ's!
