Hollis Vail

Hollis Vail and his wife Liz were part of Seekers Church as it began. Always concerned about hospitality and welcoming others into community, Hollis facilitated a men's breakfast gathering that drew from several communities where he was rooted, including Seekers. He and his wife Liz, an artist, initiated the Growing Edge Fund at Seekers, to encourage the emergence of creativity within individuals within the community.

Hollis' Books

Essences of Love. Bethesda MD: Vail Associates, 1990 is out of print and no longer available.

-†-

Eleven threads common to loving relationships. The book explores themes about belonging that Hollis offered to us 20 years ago as we were becoming a separate congregation. [Click here to read them.](#)
