

International Giving

The recipient organizations of our international giving vary somewhat from year to year. The general rule is that one or more Seekers are personally involved in these organizations in

some way. Recipients are chosen by consensus among the congregation at the start of every year.

International Giving 2020

During these challenging times, Seekers Church continues to support many missions and ministries in the United States and other countries. Once again, this year the amount budgeted for international giving is almost 20% of what we expect to receive in offerings over the course of the year.

Once our overall budget for the year was approved, and the overall amount available for international giving had been determined by the Stewards of Seekers Church, all Seekers were invited to request support for missions or ministries where they are personally involved. After worship on February 18th

the community met to determine how our international giving will be distributed. At that community meeting we affirmed support for 12 international missions and ministries listed here. For easy access to more information on each group, the name of each organization is linked to its website.
