The specific readings for this season are below.

[2021 Advent Lectionary: Restore Us, O God](#)

What do you want God to restore?

In our secret yearnings we wait for your coming, and in our grinding despair we doubt that you will. And in this privileged place we are surrounded by witnesses who yearn more than do we and by those who despair more deeply than do we. Look upon your church ... in this season of hope which runs so quickly to fatigue and in this season of yearning which becomes so easily quarrelsome. Give us the grace and the impatience to wait for your coming to the bottom of our toes, to the edges of our fingertips. We do not want our several worlds to end. Come in your power and come in your weakness in

any case and make all things new..
