

Lectionary

Unless otherwise indicated, we use the [Revised Common Lectionary](#), a list of Bible readings used by many churches and denominations around the world.

The specific readings for this season are below.

[2021 Summer Lectionary: How Shall We Love?](#)

Loving is never just about opening our heart. It is about being willing to have our heart become larger as we make room for people and stories and experiences we never imagined holding. It is about being willing to have our heart become deeper as we move beyond the surface layers of our assumptions, prejudices, and habits in order to truly see and receive what—and who—is before us. It is about being willing to have our heart continually shattered and remade as we take in not only the brokenness of the world but also the beauty of

it, the astounding wonder that will not allow us to remain the same.
