[2020 Easter Lectionary: Witnesses to Hope](#)

The Christian faith is one that does not pretend things aren't bad. This is a faith that does not offer platitudes to those who lost children this week to suicide or a tornado. This is not a faith that produces optimism. It is a faith that produces a defiant hope that God is still writing the story and that despite darkness a light shines and that God can redeem our crap and that beauty matters and that despite every disappointing thing we have ever done or that we have ever endured, that there is no hell from which resurrection is impossible.
