REFLECTION

We have heard so much tragic news that when the news is good we cannot hear it. But the proclamation of Easter Day is that all is well. ... I say this not with the easy optimism of one who has never known a time when all was not well but as one who has faced the cross in all its obscenity as well as in all its glory, who has known one way or another what it is like to live separated from God. In the end, God's will, not ours, is done. Love is the victor. Death is not the end. The end is life.
