

Seekers Ride in the Seagull Century Again

Team Seekers

Bike Riders Take on the Seagull Century Again!

October 1, 2010

On October 9, 2010 Seekers Church will be participating in the annual bike ride sponsored by Salisbury University: the Seagull Century. On that day on the Eastern Shore of Maryland over eight thousand cyclists will be riding in support of local and national organizations including Habitat for Humanity and the American Cancer Society.

The routes are either 100 miles (a Century), or 100 kilometers (a metric century) long. There will be a dozen Seekers riding on both routes this year. The riders have been training and preparing for many weeks and are looking forward to a great ride, big meals of Italian food, and tailwinds!
