

“Allan and Ivan Reflect” by Allan Kawiiso and Ivan Kisense with Brenda Seat

June 1, 2014

The Seventh Sunday of Easter (Ascension)

Allan Kawiiso and Ivan Kisense, members of the Dongo family, reflected on their lives since coming to the US from Uganda. They are both graduating from high school this year. In a conversation with Brenda Seat, they spoke about the role that their faith has played in sustaining them through difficult times in their major cultural transition, particularly in their academic lives. Both Allan and Ivan will attend Montgomery College in the fall.
