REFLECTION

The empires of the world depend on force. They have come and gone; and the ones that now exist will follow in their turn... Jesus, at his ascension, was given by the creator God an empire built on love. As we ourselves open our lives to the warmth of that love, we begin to lose our fear; and as we begin to lose our fear, we begin to become people through whom the power of that love can flow out into the world around that so badly needs it. And as the power of that love replaces the love of power, so in a measure, anticipating the last great day, God's kingdom comes, and God's will is done, on earth as it is in heaven.
